Newsletter – 22 September 2023

Kia ora e te whānau

Well done to our Year 7 and 8 kapa haka students who performed at the Tātarakahi kapa haka festival. Students displayed all three of our school values, Aotea, Taupaenui and Paepae in preparing for this performance as well as on the day. It was great to see you excited and proud to perform alongside 31 other schools that day. We enjoyed watching your performance and the positive response you gained from the crowd.

Practice examinations are now complete. Congratulations to our senior students who prepared themselves thoroughly for these examinations. The exam supervisors have said that the behaviour of our students sitting these examinations was flawless and it was obvious that most of our students took these examinations very seriously. All senior students should now turn their attention to completing their internal assessments and studying for the end of year examinations. Students should be making use of the extra afterschool classes right up until examination time. Senior examinations were held in Jubilee Gym, so a huge thank you to our junior students for being respectful around these areas during break times over the last week.

Thank you to all parents who attended meetings with whānau teachers this week. Junior students should have carefully selected modules for Term 4 now to ensure they have covered all aspects of the curriculum over the year. Our Year 10-12 students should have chosen their subjects for 2024. If you have any questions or your child needs further careers guidance, please come and see us.

As always in our newsletter, we have provided a summary of our NCEA results to date. Predictions at all three year levels have improved in the last two weeks with Level 1 and 3 having a predicted pass rate over 90%. It is also pleasing to see the number of Merit and Excellence grades on the system. We are looking forward to seeing many of our students gain course and subject endorsements.

Last newsletter we shared information on the New Zealand Curriculum refresh. We have added this information again this week. I encourage you to have a look at this information to gain a greater understanding of the curriculum changes happening nationwide.

Enrolments for 2024 are underway. We have completed all visits to our feeder schools bar one. The last visit is on the calendar for the start of Term 4. It is helpful for our planning if students enrol for 2024 as soon as practicable. In Term 4 we will be hosting each of the students from our feeder schools for two days. These two days will give studentstransitioning to Te Paepae o Aotea an opportunity to experience a day in the life and learn more about how and what they will be learning in 2024.

Prizegiving dates have been set. Please add these to your calendars. We would love to have members of our community join us to celebrate the success of our students. At our prizegivings, students will

be acknowledged for displaying our school values. Each prizegiving will be split into three sections: Aotea, Taupaenui and Paepae. This year we will have three prizegivings – Years 7 and 8 combined, Years 9 and 10 combined and Years 11-13 combined.

Lastly, thank you to everyone that joined us for our end of term whole school assembly. It was great to celebrate another successful and enjoyable school term.

Ngā mihi

Future Property Provision - Community meeting with the Ministry of Education

The Ministry of Education wants to hear your thoughts, ideas, and aspirations for future property provision at Te Paepae o Aotea. A date and venue will be confirmed for a community hui later Term 4.

Consultation on an elected school board

Te Paepae o Aotea Establishment Board are considering requesting the Minister of Education move the school to an elected board in 2024 with an approved alternative constitution (Schedule 22, clause 4 of the Education and Training Act). Before making any request, the Establishment Board want to hear the views of the community on a possible alternative constitution. Details and feedback are available on the Ministry of Education consultation hub.

Twenty-nine of our Year 10 students have started their NCEA journey with credits on the system.

Senior School Study Plan

With exams starting soon, it is important that your child starts a good revision programme if they have not done so already. From what I have seen in the exams, some students could well benefit from it.

Parents, you can support your child in the following way:

- Work with your child to develop a study plan so that everyone knows what is happening. This is a good planner to start with – [study planner](#)
- It's also important to choose the right environment for your study. It's recommended you find a quiet, airy, well-lit place with no distractions. 'Distractions' include your cell phone and social media (put these in another room while you are studying). While you might need to use the internet to help your study, turn off notifications whenever possible.
- Take good notes and save any handouts from your teacher.
- Go to any and all revision sessions offered by the school/your teacher.
- Attempt previous years exams.
- Take regular breaks.
- Utilise websites that will help you study:

SPORTS LEADER

Tessa Leatherby

Kia Ora

The sports council and I have had a busy term. We saw the running of town vs country. It was wonderful to see students getting involved and playing against their pairs. We also loved seeing all the students that came to support and watch their pairs. We are extremely honoured to be able to bring the legacy of this competition over to the new school.

Next term we plan to get LRA back up and running, so please look out for this in the notices and school app. Overall we have had a great term and we look forward to running new events as they come.

Ngā mihi

CULTURAL LEADER

Shaneya Patel

Kia ora,

I want to remind everyone to really appreciate and take advantage of the upcoming holidays and use this break to rest and take time to do things you enjoy. Whether it's playing your favourite sport, trying out new recipes, watching a movie marathon, or simply relaxing, remember to do things that bring you joy and help you recharge.

For our senior students gearing up for exams, taking care of yourself will especially be a key to your success as you'll be able to come back next term with a renewed sense of energy and enthusiasm which will better equip you to focus on and tackle your last leg of studying before exams. Remember that your hard work will pay off. Keep moving forward, stay positive, and give it your all. You've got this!

From the Cultural Leader Committee, we hope everyone enjoys their well-deserved holiday. We look forward to seeing you all in Term 4.

ACADEMIC LEADER

Kia Ora

By looking in the 'opportunities on offer' section of the newsletter you will see that there are a lot of upcoming academic opportunities for our students. Particularly for Year 11 and 12 senior students. Programmes such as 'Hands On Otago(closed)', 'Powering Potential' or Canterbury 'Science Summer Camp' (closed) are all awesome opportunities for our students. Most, if not all, of these programmes are sponsored and so are entirely free for our students. I can say from experience that they are all amazing opportunities that give you an inside perspective to university life, to step outside your comfort zone, meet people from across the nation, and discover your passion. I encourage you to apply.

A big 'well done' to our senior students who sat their NCEA mock exams last week. Enjoy your holidays and take a well-deserved break.

We look forward to continuing to celebrate our student's academic success next term.

Year 7 & 8 Junior Speech Competition

An outstanding line up of public speakers wowed the audience with information, persuasion and humour. The audience were under their speaking spell, hanging off every word. All speakers were of such a high calibre that they all could easily step forward on the next level. Today's results were extremely high:

1st Tamamihiata Ratima Edwards, 2nd Aorangi Rauputu, 3rd Hannah Barkla and 4th Lachlan Wills.

In Term 4 the top 4 speakers will go forward to the Lions Speech competition competing against students from around and outside the province.

Student Achievements

Te Paepae o Aotea we have students who participate and represent themselves in activities from sports, cultural, academic, and community in and outside of school.

Our school values are shown and upheld through

AOTEA

TAUPAENUI

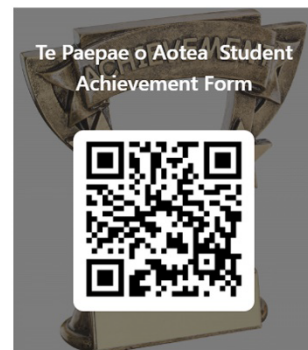

PAEPAE

We want to capture your achievements and celebrate these with you and our wider school through assemblies, newsletters and our social media platforms.

YOUR achievements are what YOU believe you have accomplished and feel proud about and would like to share.

Information will be collated and entered onto a spreadsheet which will be kept for our records throughout the year. Information gathering helps with reports and prizegiving.

Please take time to share your successes with us by filling in this form and selecting the 'Activity' and then a brief description. Forms can be filled out whenever you need to update your achievements.

Please click the link to complete the form: [Studentachievementform](#)

Sports News

I can finally feel the warmth in the sun which means that summer is not too far away. This is great as we get to see our summer codes kicking off. Nicer weather also allows us to enjoy more outside activities in or out of school.

Summer is a great time to try different sports/activities that you may not play. So, if you see or hear about a sport or activity and want to know more details, pop over to the sports office and I will see what we can do!

Our school notices and social media platforms are great ways to keep up to date with what is going on. Students can check any notices through the school app. I encourage students and parents to use this, so you don't miss out.

A bit of time is put into creating Te Paepae o Aotea teams to participate in events and tournaments. Please, if you register to play in a team, make sure you play for the correct team, turn up, respect each other and your opposition and appreciate and thank referees, coaches and helpers for giving up their time to be there. It is great seeing our students playing, however we are struggling with coaches and helpers at some of the events in which we play in.

Parents, if you are interested in helping coach or manage teams, please let us know.

It is important to let us know if you or students have been successful in teams or activities. If we don't know, we cannot celebrate these successes.

Fill out our 'Student Achievement Form' – an online form that can be filled out year 'round to let us know all your achievements in Sports, Culture, Academic or Community. This form can be found in our newsletters, flyers posted around the school or flick us an email.

This term we have seen some epic team and individual results – well done to all students who represented our school and whanau with pride.

Divan Denton – Taranaki under 16 Interprovincial Golf Team

Divan Denton has been named in the Taranaki U16 Interprovincial Golf team. He will compete in a tournament in Cambridge playing seven rounds of golf from 2-6 October.

Pearl Kahui – NZ U18 Nga Mareikura Girl's Squad

Pearl Kahui has been named in the New Zealand U18 Nga Mareikura Girls' squad who will play the U18 NZ Barbarians' team in Auckland on 6 October 2023.

Koha Tamou – U16 Central Vipers League Team

Koha has a preseason game in Palmerston North this weekend against Wellington Orcas before hitting the NZ Nationals in Rotorua in September. Earlier in the year Koha also made the Taranaki Māori U16s and Taranaki Sharks U16s – Awesome Koha!

Abby Marsh – Taranaki U12 Girls Squad.

Well done to Abby Marsh, named in the Taranaki U12 Girls Squad. All the best for the next stage.

Round the Lake Relay and TSSSA Road Relays

Five teams competed in the Round the Lake relay in Wanganui a week ago. Our teams did really well. On Monday, TSSSA Taranaki Road relays were held at Pukekura Park: Placing 3rd was our Year 7/8 Girls team of Emily Cleaver, Mikayla Arnold, Brooke and Charlie Stokes. Our Junior Girls team of Maddison Sturgeon, Peyton Scott, Kaitlin Pennington and Tayla Sturgeon, placed 2nd.

Wednesday this week saw our Year 7/8 students compete in the Taranaki Primary Schools Cross Country held at the Show Grounds. All our students did exceptionally well. One student in particular, Tayla Sturgeon, ran very well, placing 1st in her age group. Well done.

Basketball

Our Basketball teams had huge success on the court this year – Ka mau te wehi.

Last week, Te Paepae o Aotea's Year 7/8 Mixed Team - Aotea of Simulata Aholelei, Te Aute Grindlay, Carter Potts, Brax Renata, Timii Sinton-Monu, Leonardeous Snooks played Ngāruahine Tamaahuroa in their final. This was a very close game with Aotea beating Ngāruahine 35-31. Well done to the team and senior student Peyton Nelson as coach. Congratulations also goes to Taupaenui placing 3rd overall, and Paepae 4th.

2023 overall Girl MVP - Simulata Aholelei

2023 Overall Boy MVP - Phoenix Edwards -Todd

Junior 9/10 Boys had a successful season as well, only just missing out after losing their semi against Inglewood HS. Well done for placing 4th overall. Congratulations to Chase Butler named in the Junior Boys Hip Accounting all-star five team.

Senior A Boys had a tough season but never gave up! They had good numbers to their games with great support from their fellow mates. They placed 6th for the season.

Senior A Girls were fortunate to play in their final last Saturday against NPGHS 10A. Gusty effort by the team especially as they had a few members unavailable. Our girls came out winners, beating NPGHS 10A, 51-47.

Sofia Va'aelua was name MVP and named in the Senior Girls Hipp Accounting all-star five team.

Sofia has also been selected for the U18 Girls Koru Tour team competing in Australia in 2024.

Earlier in the term, Payton Nelson played in the U19 Aotearoa Girls team. Payton represented Aoteroa at a prestigious Native American Basketball Invitational competition in the United States in July - Outstanding achievement by both girls. We are truly proud.

Ki o Rahi

Last week, two teams represented our school in TSSSA Ki o Rahi. This is a very skillful, sometimes physical but very tactical, game. Our Senior team placed 3rd, and our Juniors placing, 4th. Our senior team won the TSSSA McKean Shield. The holders of the shield are the ones that put it up for challengers. If you beat them, you hold the shield and are next to call for challengers at the next event you attend as a school. In this case, the next event is Touch coming up in Term 4.

Rugby Game – 1st XV v Te Aute College

An awesome exchange was organized with our 1st XV playing Te Aute College, currently touring New Zealand. This was a great opportunity for our team to play a quality side. Some great passages of play from our 1st XV however Te Aute proved too strong and very clinical, winning 19-7. Hopefully we can keep this exchange going in the future.

Town vs Country

Always a popular event with our senior students who have the opportunity to play against their own teammates who they would normally play alongside. Rugby, Hockey, Basketball, Football and Netball were played this year. What's up for grabs? The 'Lee Marshall – Town vs Country' shield.

Teams battled it out over one afternoon. Close games, winning 4/5 sports – Town proved too strong taking bragging rights until next year.

House Points

I'm not too sure who is more serious about house points; staff or students? That being said, it's great to see everyone get behind their Awa to get as many points as possible toward the overall winner at the end of the year. There has been some major movement in points recently with Awa closing the gap.

1st Kaupokonui – 307, 2nd Waingongoro – 293, 3rd Tangahoe – 232, 4th Patea – 138.

Next term will be the decider! So get involved with as many challenges as you can.

Check out all the up-and-coming events and activities happening in our community. It's up to you to give it a go!

Prizegiving Information

Te Paepae o Aotea has three values; Aotea, Taupaenui and Paepae. These values underpin all that we do throughout our school. At our prizegivings, students will be acknowledged for displaying these values. Each prizegiving will be split into three sections, Aotea, Taupaenui and Paepae

 AOTEA	 TAUPAENUI	 PAEPAE
<p>Our value of Aotea represents a caring environment for all students, staff, whānau and community, to explore identity.</p>	<p>Our value of Taupaenui supports the attainment of human potential, the pursuit of knowledge and striving for excellence.</p>	<p>Our value of Paepae supports the courage, adventure, strength, persistence and the pursuit of knowledge in the learning environment.</p>
