

TE PAEPAE O AOTEA

Kia eke atu ki Taupaenui o te tangata

Newsletter – 15 December 2023

Kia ora e te whānau

Today marked the last day of the year for students at Te Paepae o Aotea and we are extremely thankful we were able to come together to celebrate our students' successes through our prizegiving. We have enjoyed our foundational year working alongside the amazing young people in South Taranaki. At times it has been challenging as we transition to our new school. This year we have kept old traditions from Hāwera Intermediate and Hāwera High School and formed new ones as we continue to build a school which is fit for purpose for our current day students.

I am incredibly proud of how our students and staff have equipped themselves this year. Our staff have been strong, resilient, creative and innovative. They have role modelled our school values of Aotea, Paepae and Taupaenui throughout the year. Each one of them has played a part in enhancing the mana of our students and those associated with our school. It is now time for our staff to have a well-earned break after what has been a massive year professionally for each one of them.

Our students have completed their formal learning for the year and I would like to congratulate each one of them for the progress they have made. We have challenged each of them to live up to our school whakatauākī, *Kia eke atu ki Taupaenui o te tangata, People reaching their full potential*. Our students have certainly put their best foot forward this year in many different ways and now it is time for them to enjoy the summer break.

We hope all our staff, students, whānau and wider community have an amazing summer break filled with love and laughter before we see you all again in the new year.

Ngā mihi

The Health Benefits of Properly Sized School Shoes

Children wear their shoes for over 30 hours a week, if their school shoes are uncomfortable or they are not the right fit, this could lead to both long term podiatry issues and short term grumbles for parents to deal with. Here at NZ Uniforms we pride ourselves in offering a large range of School shoes for the perfect fit.

Being squeezed into ill-fitting shoes can definitely affect a child's mood; therefore comfort needs to be a factor when choosing the right pair of school shoes. Sometimes fashion can overrule the need for comfort, especially in older children; therefore it is important to stress how important it is for later life that they opt for a pair that offers the right support and flexibility. We've tried to adapt our range of school shoes to incorporate on trend styles.
