2024 Te Paepae o Aotea Uniform Update

Kia ora e te whānau

There has been some confusion around the uniform lowers (shorts, culottes, skirts and trousers) due to an incorrect statement in our frequently asked questions. We sincerely apologise for this mistake and any undue stress this has caused.

All students should be in the new lowers supplied by NZ Uniforms.

Students can continue to wear their existing Te Paepae o Aotea polo shirts, hoodies and jackets for 2024.

All whānau teachers will check in with students and whānau at their whānau meetings on Monday and Tuesday to ensure they have their uniform ready to go for the start of the year.

As always, if you need support to ensure your child is in the correct uniform, please connect with us and we will work together to find a solution.

The Health Benefits of Properly Sized School Shoes

Children wear their shoes for over 30 hours a week, if their school shoes are uncomfortable or they are not the right fit, this could lead to both long term podiatry issues and short term grumbles for parents to deal with. Here at NZ Uniforms we pride ourselves in offering a large range of School shoes for the perfect fit.

Being squeezed into ill-fitting shoes can definitely affect a child's mood; therefore comfort needs to be a factor when choosing the right pair of school shoes. Sometimes fashion can overrule the need for comfort, especially in older children; therefore it is important to stress how important it is for later life that they opt for a pair that offers the right support and flexibility. We've tried to adapt our range of school shoes to incorporate on trend styles.
