

TE PAEPAE O AOTEA

Kia eke atu ki Taupaenui o te tangata

Newsletter – 31 January 2023

Kia ora e te whānau

We are looking forward to welcoming our students to Te Paepae o Aotea tomorrow. **Our pōwhiri to open our school starts at 10am. Students meet in Court 1 and 2 in the HUB by 9.30am.** Parents and other members of our school community meet outside the HUB or in Court 3. If you wish to join us, you are very welcome.

Students will head to their Whānau classes for kai following the pōwhiri. Parents and community members will have kai served in Court 3 of the HUB. Barrier arms in the HUB will be in use from 8.30 – 12pm tomorrow morning to keep students and visitors safe.

Thank you to everyone who has attended the Individual Learning Programmes (ILP) meetings over the last few days. Our staff have enjoyed meeting you all and are looking forward to connecting with you throughout the year on a regular basis.

Students will not be required to have their full stationery on Wednesday; however, they should bring the basics (e.g., pen and refill).

Ngā mihi

Buses

Our buses are operating the same routes as 2022. The only difference is they do not stop at the Hawera Intermediate grounds.

Buses start back on February 1 at usual times.

All students travelling on a school bus (or entitled to) will attend a meeting at 2pm Wednesday, 1 February in Court 3 of the TSB Hub.

Click on the Weir Bros. [BUS ROUTES](#) link to see the different routes and times

Bikes – for transportation

Students are welcome to bring bikes, scooters and skateboards as a means of transport to and from school. When they arrive at school these are placed in the cage in front of Gray Block (next to the pedestrian crossing). This will be locked at 9am and unlocked at 3pm.

Laptops/Devices

Students will **NOT** need their device at school this week. For those with their own device, these will need to be brought to school from **Tuesday, 7 February**.

Our technicians are working incredibly hard reimaging all school owned devices. We are hoping we will be able to issue these to students next week. Thank you to everyone who has let us know during their ILP meetings if their child will need a device.

If you have not yet let us know, please email through to your child's whānau teacher. All email addresses in the school follow the same format as below.

Kai in school

Free Healthy school lunches will start on Wednesday, 1 February. This year we have a selection of Pita Pit, Subway and Tika Catering. Please see the schedule below.

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 7 – 10 students	Pita	Pita	Tika	Subway	Tika
Year 11 – 13 students	Subway	Tika	Pita	Tika	Subway

Catch-up ILP

If you have been unable to attend an ILP meeting, whānau teachers will be in contact to arrange a catch-up time. It is very important that these meetings are completed to ensure programmes of learning are confirmed.

Traffic Safety Plan

Many of you will be aware that we have put in a submission to STDC to close Camberwell Road between the school gate and Stan Lay Drive between the hours of 8.30 – 3.30pm each day. This decision is going to council for consideration today, 31 January. This means we will start the year without a permanent solution.

We are also aware that Waihi Road has significant roadworks currently and as a community we have not had over 1000 students on the Camberwell Road school site for several years. This means we will have to be very patient with one another as we learn our 'new normal'.

To help with traffic flow before and after school, we suggest we all adhere to the following:

- Reserve the HUB space before and after school for buses and our students who attend our Endeavour Centre.
- Our senior students park on Disraeli Street (Disraeli Street should be more convenient for you to access the Senior Learning Village at Bayly Park. Remember, if you are driving to school you should see Matua Mahaki to get a pass).
- Long term, we would like parents to pick students up from the Waihi Road part of the HUB. However, with the road works, it might be easier to allow your student to walk the first part and meet you on a nearby street e.g., High Street.
- Students can continue to ride bikes, scooter and skate to school. There is a cage at the front of Gray block where they can store their chosen mode of transport.
