## Newsletter – 6 April 2023

Kia ora e te whānau

Thank you to everyone who has supported our students, staff and school this term. It has certainly been very busy as we do everything as a school for the first time. We know change is hard and we are grateful for the way our students have embraced this change and made the most of opportunities presented to them. I would encourage you to follow us on our school app and facebook page so you can keep track of what is happening around our school and the amazing achievements of our students.

As a school we value the voice of our students. Please encourage your child to share their voice with us particularly on important matters like uniform design, activities around the school and new school buildings. We also value the voice of our community. Thank you to those that provided their viewpoint on our permanent uniform.

Earlier this week, we had the opportunity to have a full school assembly. This allowed us to acknowledge our junior and senior student leaders. We also celebrated the Year 7 and 8 Rippa Rugby team, Aotea; this team won the first ever trophy for our school. We are extremely proud of all our students who were recognised at assembly.

Reports have been sent directly to families via email this week. Reports are also available on the parent portal. If you have not received your child's report, please contact the office to ensure we have your correct details. It was great to see so many of our families attend the junior whānau teacher meetings this week so students, parents and staff could reflect on Term 1 and set learning programmes for Term 2. Senior students will be given the same opportunity mid-way through Term 2 before the change over from Semester 1 to Semester 2. In the meantime, if you have a senior student, please keep an eye on the parent portal for information about attendance and NCEA grades. If you have concerns, please contact their whānau or subject teacher.

I have mentioned the importance of attendance over the last few newsletters. Research tells us that for students to make the most of school they need to attend at least 90% of the time. This week in assembly I spoke to the students about the importance of aiming for 90% plus attendance. Please continue to monitor attendance by checking on the parent portal and contacting us if you have concerns. If you think any of your child's attendance has been coded incorrectly this term, please contact Tracey Hardy [tracey.hardy@tepaepaeootea.school.nz](mailto:tracey.hardy@tepaepaeootea.school.nz) so we can amend accordingly.

I would like to congratulate our students who have displayed our school values of Aotea, Taupaenui and Paepae inside the classroom and around our community. I am looking forward to seeing what amazing things our students will accomplish in Term 2. I know our students will continue to grow and make us proud both in the classroom, in the community and participating in their extracurricular activities.

I hope everyone has a wonderful and restful holiday break ready to resume our learning on Wednesday, 26 April, following an NCEA accord day (staff only day – Monday) and ANZAC day (Tuesday).

As always, thank you for your continued support. It is very much appreciated.

Ngā mihi

# Te Paepae o Aotea Head Leader News

## COMMUNITY LEADER

Hannah Coogan

The community leaders have hit the ground running this term! We are working on creating opportunities to develop our relationship within the school and the wider community. These include an inter Awa food drive, the 40hr famine, volunteering out in the community and more! We look forward to building these relationships throughout the year... enjoy your easter break, eat plenty of chocolate and bring on Term Two!

## SPORTS LEADER

Tessa Leatherby

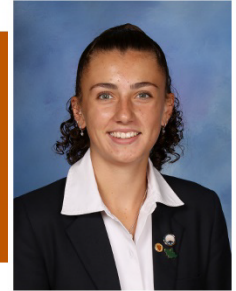

This term we saw a lot of sports events happening. We had school athletics and swimming sports as well as a bunch of summer sports. We as the sports council would like to take this time to acknowledge all our outstanding students and sports teams who have participated and represented Te Paepae o Aotea so far.

We also look forward to all upcoming events coming in term two. Make sure to be on the lookout for these events on the school app and in the notices as most winter sports will start in term two. Another reminder, sign up for upcoming TSSSA events for year 9-13 students. Next term is Golf Croquet, Cycling, Netball, Cross Country, Boccia, Indoor Bowls, Mountain Biking, Skate Boarding, 3x3 Basketball, Squash, Badminton, E-Sports, and Senior Festival Week. We would love to see everyone getting involved and signing up.

This year the sports council's goal is to get everyone participating and involved in and around our school. We also strive to have a range of different activities for everyone's abilities so would love to hear any feedback. Please look out in the school app for alerts. We'll send a form out soon to get some ideas on what you, as the students, want to see in our school and what LRA activities you would be interested in doing. Our sports council is here to let everyone's voices be heard. Thanks, the sports council.

## ACADEMIC LEADER

Ebony Kalin

Kia Ora, my name is Ebony Kalin and I am your Head Academic Leader for 2023. Within my position, I work alongside the Academic Senior and Junior Awa Leaders in what we call 'the academic committee'. Our role as a collective is to support our students to strive for excellence in and outside of the classroom. With this, we have a goal to increase student awareness of academic opportunities on offer at Te Paepae o Aotea.

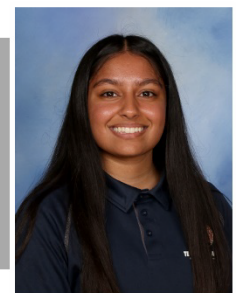

One way we wish to achieve this is through the weekly school newsletter. You'll see opportunities on offer listed further in the newsletter. There are many opportunities on offer, so we highly encourage students to get involved!

Within our weekly academic column, we want to recognise those students who have achieved academic excellence this term. These students are listed below. Watch this space, as this will be updated weekly.

Congratulations again to everyone for an awesome first term! Take a well deserved two week break. We look forward to celebrating your academic success with you this year.

## CULTURAL LEADER

Shaneyya Patel

Some things that the Cultural Committee is looking to do this year are productions, school festivals, more inter-awa competitions, music competitions, workshops, debating, art competitions, Kapa Kaka and more.

We would love to hear your suggestions and value your feedback, so please approach your junior and senior cultural leaders.

The cultural committee strongly believes every student has the power to make a positive change within our school.

If you feel something isn't working, or maybe you have a thought about improving something at school or just have a cool idea for our school. I urge you to approach either your Junior or Senior Cultural Leaders.

## Uniform

Our Board expects all students to wear correct uniform and our school logo with pride at school and out in the community.

Students must wear the polo and sweatshirt provided. Plain black shoes (no coloured markings) or sandals must be worn. Plain black, navy or white socks are acceptable. Plain black shorts, trousers or skirts/culottes are to be worn. Almost all students are wearing our uniform proudly. Please continue to do this in the coming days/weeks. Families will be contacted by their whānau teachers if there are uniform issues from next week.

## Traffic Safety Plan

To help with traffic flow before and after school, we suggest we all adhere to the following:

- Reserve the HUB space before and after school for buses and our students who attend our Endeavour Centre.
- Our senior students park on Disraeli Street (Disraeli Street provides more convenient access to the Senior Learning Village at Bayly Park). Remember, if you are driving to school, please see Matua Mahaki to get a pass.
- Long term, we would like parents to collect students from the Waihi Road part of the HUB.
- Students can continue to ride bikes, scooter and skate to school. There is a cage at the front of Gray block where students can store their chosen mode of transport.

# Sports News

Boom.... There it is!! Term 1 done and dusted with a high volume of sport codes being played, students attending sport trials, senior and junior teams participating in competitions, TSSSA events, students representing at NZSS tournaments, Te Paepae o Aotea first school events held, and the odd competitive staff relay or challenge.

All events on offer throughout the term were highly competitive, enjoyable to watch and be a part of and successful in many ways. I am very proud and thankful of everyone that has played a part in helping coach, manage and the organisation of our teams or individuals to ensure that they are able to attend events.

I would like to take this time to thank some amazing parents and local sport clubs who gave up their time to come along and help with our first Te Paepae o Aotea school events - Athletics and Swimming. These are big days with a lot happening in a short time, so to have their support, guidance and feedback with these events has been truly appreciated.

TSB Hub staff and Hawera Aquatic Pools staff, thank you for your efforts and support to ensure the facilities were perfect for our events.

Congratulations to our newly appointed Junior Awa sports leaders announced last week. These students will be working alongside myself and their senior awa sport leaders with the running of LRA events and other activities around school.

Term 1 has seen some outstanding results by teams and individuals. This is a great opportunity to be able to celebrate and acknowledge these efforts.

Thanks to Reg, Te Kiri and parents for all the support in the lead up to the event.

## **Waka Ama**
